Please note:

- The Tuition Fee covers the cost of
 - Tuition, ESOL, Government Levy, taxes and commissions where applicable

- The Activity Fee covers cost of
 - events or trips that the students take part in as well as all other costs that they may incur during their stay for the year, or part year.
 - registration costs for participation in sports teams, cultural or musical events,
 - equipment hire (eg; musical instruments), other costs associated with these activities,
 - trips and other events organised by the International Department.
 - Costs associated with attending a different institution to take part in a course while at Mountainview High.
 - Subject related costs that may arise from time to time (for example – attending a trip run by a teacher where they are not a member of the class (for example, a ski or tramping trip run by Outdoor Education)
 - Other costs that may arise as part of their stay at Mountainview.

- The Activity Fee is managed by the school office and any surplus is either
 - refunded to the family at the end of the school year, or
 - carried over for the following year activity.
 - If a student uses all their activity fee then the family is asked to provide a “top up” for that year.

- The Homestay Fee includes wifi usage in the host home.
- School uniforms are purchased through the school PTA and can be sold back to that organisation at the end of the student’s stay provided they are dry cleaned and in good condition.
