TRANSFERS

Our transfer prices are based on the fact that it blocks a whole morning or afternoon for the host family doing the transfer, not on the precise distance from the family's home to the airport or nearest railway station. This is how we have managed to standardise the prices with the exceptions of New York, Tokyo and Malta.

We try to keep transfer prices as low as possible, but students who feel it would be cheaper to arrange transportation for themselves instead of booking through H.L.I. are welcome to do so. The prices we quote are for a one-way transfer from the nearest airport or seaport to the family home. Other quotes on request. THESE CHARGES WILL BE INCREASED IF THE STUDENT DOES NOT ARRIVE AT THE AIRPORT INDICATED CAUSING A LONGER JOURNEY.

N.B. We cannot arrange transfers unless we receive flight numbers & arrival times at least one week in advance. Otherwise they are CANCELLED and non-refundable.

HLI must be notified of any problems or complaint *before the end of the stay* - no retrospective claims against HLI will be considered. Enrolments are accepted on condition that students have no illness or infirmities that they do not mention and explain in advance. Christmas & New Year Bookings

Any bookings which include December 24th, 25th or 26th (Christmas) or December 31st or January 1st (New Year) are subject to a surcharge of £100, \$150 or €150. Stays including both Christmas and New Year are only charged once.

Activities

Where activities have been booked all associated costs (transport, entrance fees etc.), including those of the accompanying tutor (if applicable) are at the student's own expense unless they have booked the Fixed Supplement for Activity Expenses Option, The Language and Sports or Language and Culture or Language and Leisure Programmes, as these programmes include expenses.

Transfers

If transfers are booked HLI must receive flight numbers and arrival times at least one week in advance otherwise they are cancelled and non-refundable.

Cancellations & Insurance

If a cancellation is made well in advance (by post, fax or email) a credit note can be given, valid for a year. No refunds will be given for cancellation, accident, illness, loss of property or for any other reason and you are strongly advised to take out your own insurance.

A booking is a contract, but if a cancellation is made well in advance, a credit note can be given to be used later the same year. Students must take out their own insurance. No refunds are given for illness, accidents or cancellations for any other reason.

When Sports, Culture or Leisure Programmes are cancelled at any time, an extra fee of £150, €200 or \$200 must be added to cover the reservation costs.

Alteration Charges

Alterations of area, date or course often mean cancelling one family and finding another, so we must charge £100, \$150 or €150 in every case.

Tips for a successful stay

- We recommend students allow a minimum of £50, \$75 or €75 per week to cover expenses. EU students travelling to an EU country are advised to get the European Health Insurance Card, as well as personal insurance to cover any cancellation, loss of property etc.
- Please contact the host family by phone or email at least one week before your stay. Our host families are keen to learn more about you, your food preferences, your level of the language and your expectations of the stay. This will help them better prepare for your stay.
- Transfers: If you have ordered transfers, please make sure we receive your travel details at least one week before your arrival so that we can organise the transfer for you. Please ask for our transfer guidelines should you have any questions or doubts about the transfer procedure. If you have not booked any transfers, please let your host family know your approximate time of arrival. If they have not received this information from you, they will expect you after 18.00hr.
- Families in a foreign country may not have the same way of living you are used to at home. There may be different rules, the food will be different, as well as the living conditions. Please prepare yourself and be willing to accept cultural differences in order to get the most out of your stay.
- Smoking: Please be aware that smoking is forbidden in public areas (bars, restaurants etc.) in many countries. Very often, our host families do not allow smoking in the house. If there are smokers in the host family they will often smoke outside or only in a specific area in the house.
